

## Holy Family Girl Scout Troop 90

### About

Holy Family Girl Scout Troop 90 meets once per month for about an hour after school. As one of the oldest and largest troops in the area, the troop focuses on G.I.R.L. (Go-getter. Innovator. Risk-taker. Leader) power through fun STEM and community service-oriented activities/projects while keeping the Girl Scout Mission, Promise and Law at heart. We are very lucky and blessed to have the support of Mr. Boos and Father Andy with a space to meet at the school.

For those new to the school or Girl Scouts, my name is Jennifer Young. I have two children at Holy Family - Abigail (6th) and Aidan (4th). We have been attending Holy Family since Abigail was in preschool and joined Girl Scouts when she was in kindergarten. Through a turn of events, I became the troop leader four years ago and have muddled along with help from parents. *Everyone's help has been invaluable and greatly appreciated!!!* I was officially joined last year by co-leader Jessicia Watson, mom to Addy (1<sup>st</sup>). Jessicia will be leading our Daisy level (K & 1<sup>st</sup>).

### Parents Needed!

The last two year have been unique to say it nicely. For safety reasons, I have not been able to open the troop to new members for all levels. To meet Girl Scout safety protocols and add girls, we need parent volunteers, male or female, to assist with troop meetings and activities. I would like to have at least one parent volunteer for each level – Brownies (2<sup>nd</sup> & 3<sup>rd</sup>), Juniors (4<sup>th</sup> & 5<sup>th</sup>) and Cadettes (6<sup>th</sup>-8<sup>th</sup>). This way we can still hold meetings and flex as people's schedules and availability change.

*What kind of commitment will this entail?*

I can attest with two kids and a full work and activity schedule, that I am as busy as most everyone, so I try to make Girl Scouts doable for both girl and parent. ### 2022 – 2023

Jessicia and I would like to target to meet monthly this year, with as many meetings as possible outdoors for fresh air and fun. Our goal is to build on the activities the girls completed last year investigating and learning how to improve their communities. In previous years, we've also worked on science-based activities and LEGO robotics, so we can shift based on the level's interests as we go through the year. We'd also like to continue our traditional activities like handmade Christmas cards for charity and a tree for Festival of Trees (*we won 2<sup>nd</sup> place last year!*) Additionally, Girl Scouts still plans to have several virtual programming options to participate in individually or as interested with some local events too.

This year, we are again setting the goal for each level to pursue a community service project of their choosing. In the past, some examples of projects have been to collect blankets/coats for The Neighborhood, supplies for the animal shelter or supplies/volunteer to help fill the pantry for Shelter of Hope.

In addition, we also have a significant group of our current girls in the Junior (4<sup>th</sup>-5<sup>th</sup>) and Cadette (6<sup>th</sup>-8<sup>th</sup>) levels. This means that we have girls that can complete the highest level of awards for their respective groups; Juniors – the Bronze Award and Cadettes – the Silver Award. At the most basic level, these are essentially hour-based community service projects structured in a way that encourages and develops the girls while they have fun and make a positive, sustainable difference in their

community. Because Girl Scouts is girl-led, the girls will pick a topic that interests them most. The parent volunteers and I will be available for support, but the girls manage most, if not all, aspects of their project – their journey, planning, documentation, promoting, etc.
